

LED and Lamp Based Technology Seminar

Hosted by Vari*Lite / Philips Entertainment

Thursday, March 25th

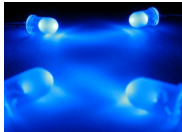

Start time: 1:00pm

Leonard Miller, Central U.S. Sales Manager for Vari*Lite / Philips, will lead a discussion on the history of LED and lamp based technology and demonstrate new products from Vari*Lite.

Seminar will take place at Intelligent Lighting Creations and will include time for Q&A and in depth discussions with Leonard Miller.

Understanding LED and lamp based technology - past, present, and future

A discussion on where lighting technology has been and where it will go in the future. Learn what tools you will have for your next show.

Introducing new Vari*Lite Products

Check out the latest products offered by Vari*Lite including the new VLX Wash and CD (Ceramic Discharge) lamps for VL fixtures. A product demonstration will be offered and you can gain valuable "hands-on" time while visiting ILC.
